

RECRUITING VOLUNTEERS FOR A RESEARCH STUDY

Understanding Stress and Everyday Problems in United States Military Veterans

Research Goals:

The purpose of this study is to better understand how everyday problems and stress impact Veterans. This information may contribute to a better understanding of the types of problems affecting Veterans and may be helpful in the development of new treatment options and programs.

Participation involves completing a one-time, anonymous* survey that asks questions about stress, current problems you may be experiencing, and how you typically solve problems in your everyday life. Completion of the survey should take approximately 25 minutes.

** Your participation is entirely anonymous. We will not be collecting your name, contact information, IP address, or any other identifying information.*

Eligibility:

You may participate in this study if you are:

- ✓ A Veteran of the US military
- ✓ 18-75 years old
- ✓ Able to read and understand English as a first or second language
- ✓ Not currently serving on Active Duty

Remuneration:

To compensate you for your time and effort, you will be entered into a raffle to win one of ten \$50.00 Amazon gift cards.
